My favourite subject at school is P.E. I have got P.E. three times a week: on Mondays, Tuesdays and Fridays. On Mondays and Tuesdays it is the fourth lesson and on Fridays it is the first lesson of the day. I have English four days a week and it is always the third lesson of the day. I haven't got English on Thursdays. My first lesson on Mondays is Slovene. After Slovene I have Maths and the last lesson on Mondays is Science. I love Science. On Tuesdays I start with Maths and I finish with Craft. The second lesson on Tuesdays is Science. I hate Wednesdays. On Wednesdays I have Art before Music. I'm bad at drawing and painting. After English I have Slovene and the last lesson is Maths. Thursdays are great. I start with double period of Slovene. After that I have Geography, the fourth and the fifth lessons are Science and Maths. My second lesson on Fridays is History, the fourth lesson is Geography and I finish with Home Economics.

My favourite days are Saturday and Sunday because I haven't got school.
