Učbenik stran 121/naloga 3a

Možni odgovori:

- **Describe the picture.**

Jill is a robot. It is busy. It is doing the hoovering. Lorna is going out. She would like to borrow her mum's spaceship. Mrs Universe is sitting on the couch. She is watching commercials on TV. Brian is watching TV too. He would like to take a trip to the moon. Jackie is a robot too. It is serving some food and drink. Mr Universe is in his study. He is talking to his computer.

- **Who are Jill and Jackie? Are they humans or robots?** Jill and Jackie are robots.
- **What will robots do in the future?** In the future robots will do our homework, do all the housework, teach at school etc.
- **Will life in the future be more or less interesting than in the present?** Life in the future will be more interesting than in the present.
- **Will life in future change for the better or the worst? What do you think?** I think, life in the future will change for the better.
- **What will change for the better?** Robots will do our homework, robots will clean the house and wash the car, they will go shopping etc.

- **What will change for the worst?** Aliens will land on Earth, people will eat pills instead of food etc.
- **Make a list of new machines that we will have.** Computerized cookers and fridges, computerized lights, flying cars etc.
