B -- green tips

2 Buy drinks in returnable bottles.

6 Buy products with little packaging.

5 Buy things that will last.

8 Don't leave them on. This wastes electricity. Switch off lights when not in use.

12 Don't throw everything away. Reuse old things or donate them.

4 Take showers, not baths. You use less water if you take showers.

7 This wastes water. Don't let taps drip; turn them off firmly.

9 Turn the water off when brushing your teeth. This saves water.

10 Turn them off when you're not using them. This saves energy.

1 Use a refillable water bottle.

14 Use energy-saving bulbs.

16 Wait until there are enough clothes to fill the washing machine.

15 Walk, or use a bike, for short trips.

17 You could install a rain barrel and collect rain water for your garden.

11 You should recycle and sort your family rubbish.

3 You should shop with reusable bags.

13 You should use rechargeable ones.
